SUBJECT: ITALYX – INDUSTRIE CHIMICHE FORESTALI SPA
Proud to Represent Italian Excellence

Il Sole 24 ORE and **INDUSTRIE CHIMICHE FORESTALI SPA** proudly announce the successful completion of the audit required to obtain the **ITALYX certification**, enabling the company to officially join the **Italian Excellences of Il Sole 24 ORE**.

This recognition represents not only an important milestone for **INDUSTRIE CHIMICHE FORESTALI SPA**, but also an added value for the entire supply chain – suppliers, partners and customers – as it demonstrates the strength, reliability and innovative capabilities of our industrial ecosystem.

What ITALYX means to us:

- **Certified Quality:** collaborating with a partner recognised among the Italian Excellences strengthens the credibility and competitiveness of the entire value chain.
- **Innovation and Sustainability:** our commitment to advanced and responsible processes creates shared and long-term opportunities.
- **Networking and Visibility:** being part of a supply chain in which a certified company operates opens the way to new strategic relationships and business opportunities.

We wish to express our sincere **appreciation to all those who contribute to this success every day**. We will continue to work with passion and determination to grow together and create value for the market.
